- Learn from horses' mouth : Attend special talks from officials of Financial Institutions.
- Networking Opportunity : Interact with officials of these Financial Institutions and build relationships.
- Placement Opportunity : Networking and Relationships may help you get placement with these Institutions, once you complete your studies.
- Exposure to opportunities in Finance : Learn the vast canvas of opportunities in the Financial Services space through a specialized session.
- Experience Stock exchange trading through simulation : Specialized simulation session for real life trading experience.
- Fun is free with this Educational Tour : Sightseeing of Mumbai (Juhu Beach, Famous Chowpati Beach, Fashion Street, Gateway of India etc..) and not to miss stuff (Vada Pav, Pani Pooori, Bhel Pooori, Mango slice, Coconut etc..) come free in addition to learning and a distinctive experience through this tour.

Financial Institutions You may visit

➤ Stock Exchanges – Bombay Stock Exchange, National Stock Exchange

- Bombay Stock Exchange, Dalal Street (Counterpart of Wall Street in New York) is a must visit to feel the sense of Financial Markets. Wrest-while trading ring (now conference hall), larger than life screen showing prices of shares on outer wall of the Stock Exchange, hustles/bustles of the street are all the scenes worth cherishing for life.
- This will help participants understand various products traded on the stock exchange. Participants will also get exposure to the Bombay Stock Exchange Training Institute, which trains professionals for Securities Market jobs.

➤ Regulators – Securities and Exchange Board of India (SEBI) and Reserve Bank of India (RBI)

- Learn about operations of SEBI and how do they control Securities Market.
- Learn about functions of Reserve Bank of India and what all they do to keep Indian Economy ticking.

➤ Reserve Bank of India Monetary Museum – A temple of currencies.

- Experience Monetary Museum, created by Reserve Bank of India, and feel how currencies evolved over a period of time.

Financial Institutions You may visit

➤ **National Institute of Securities Market** – A specialized Institution, created by SEBI, to impart knowledge on Securities Market.

- Learn about various functions of Financial Markets.
- Experience a special session on Opportunities in Financial Markets.
- Experience Simulation on Stock Market Trading.

➤ **Commodity Exchanges** - Multi Commodity Exchange (MCX), National Commodity and Derivatives Exchange (NCDEX)

- This will help participants understand various financial products related to commodities.
- Opportunity in this space is expanding fast specially with recent merger of Forward Market Commission (FMC) in Securities and Exchange Board of India (SEBI).

➤ **Depositories** – National Securities Depositories Ltd. (NSDL) and Central Depository Services Ltd. (CDSL)

- Learn how Depositories operate as banks for holding our securities in electronic form. They are systematically very important institution for Financial Markets.

Tour Highlights – how does it work?

- This tour, managed by Value Ideas Investment Services, is devised to create experiential learning on Financial Institutions through personal visit and first hand interaction with officials. Tour is packed with knowledge, wisdom and fun.
- Given the distances and pace of city, tour will typically involve visit to 2 Institutions in a day. Evening will be kept free for leisure/fun.
- Exposure to a special session “Way to Financial Freedom” or “Common Sense on Money” will be free and significant value to the participants.
- Some special sessions, based on need of the group, can also be organized in a classroom manner.
- We pick the group from the Railway Station, complete the tour and drop the group at the Railway Station on the last day.
- *We would be happy to customize the program in consultation with the institution, undertaking the tour.*
